

# 🌟 Visual Timeline Chart

## CHILDHOOD (Early Years)

- Power first manifests
  - Uncontrolled arcane pressure shifts
  - Early containment training begins
  - Identified as compatible with ancient, structured energy
- Emotional conditioning begins
  - Discipline over impulse
  - Control before expansion

## AGE 18 – ARC OF THE REALM

- Undergoes Binding of the Realm
  - Becomes living conduit for structured arcane equilibrium
  - Body integrated into realm-wide magical architecture
- Role Scope:
  - Maintains arcane balance across territories
  - Reinforces magical equilibrium beyond Greystar
- Political Status:
  - Structural authority, not sovereign authority
  - Observed and scrutinized due to young age

## AGES 18-27 – THE PROVING YEARS

- Refines amplification and containment
- Studies political-magical infrastructure
- Strengthens ward systems across territories
- Earns long-term trust through stability

## AGE 27 – ARC OF GREYSTAR

(WARDEN OF GREYSTAR)

- Assumes second mantle
  - Directly bound to Greystar's magical barrier system
- Role Scope:
  - Reinforces city wards
  - Anchors defensive lattice
  - Acts as a deterrent against external destabilization
- Political Authority:
  - Now directly tied to the Greystar throne
  - Serves as both shield and arcane enforcement

## PRESENT DAY

- Dual Mantles Held Simultaneously:
  - Arc of the Realm (structural balance)
  - Warden of Greystar (sovereign protection)
- Mentorship Role:
  - Guides Kyle through awakening power
  - Applies lessons learned from early scrutiny
